Evidence-Based Practice Resources

<http://www.biomed.lib.umn.edu/guides/evidence-based-practice> - contains EBP Databases, General Resources, Clinical Trials, Consensus Statements, Health Technology Assessment, Practice Guidelines, etc.

http://cadth.ca/media/pdf/Grey-Matters_A-Practical-Search-Tool-for-Evidence-Based-Medicine.doc - A resource developed by the Canadian Agency for Drugs and Technologies in Health (CADTH) for finding national and international grey literature (unreliable literature).

<http://www.phru.nhs.uk/Pages/PHD/CASP.htm> - Clinical appraisal tools developed by the Critical Appraisal Skills Programme (CASP) for systematic reviews, randomised controlled trials, qualitative research, cohort studies, case control studies, diagnostic test studies, economic evaluation studies.

<http://healthlinks.washington.edu/hsl/classes/evidence/> - Links to internet resources for EBP

<http://www.mnsu.edu/comdis/efficacy/article.html> - Web-based Information Resources for Evidence Based Practice in Speech-Language Pathology

<http://www.aacoinstitute.org/Resources/Press/EBPpaper/EBPpaper.html> - A Model for AAC evidence-based clinical practice

Online Tutorials

<http://www.asha.org/members/ebp/> - ASHA's webpage for EBP complete with key Steps in the EBP Process, Discussion Forum of EBP, Systematic Review of EBP, etc.

http://ebp.lib.uic.edu/applied_health/?q=node/12 - The following tutorial is designed to support both curriculum-based EBP instruction and the ongoing education of practicing healthcare professionals.

<http://www.biomed.lib.umn.edu/learn/ebp/> - EBP Tutorial

<http://www.uic.edu/depts/lib/lhsp/resources/ebm.shtml> - Useful guide on use of the medical literature

<http://www.cche.net/usersguides/main.asp> - Contains Users' Guides originally published as a series in the Journal of the American Medical Association (JAMA).

<http://www.mc.vanderbilt.edu/biolib/ebmportal/> - Resources include interactive tutorials, readiness assessment, practice cases, and a dynamic tool to create evidence summaries of clinical studies.

<http://www.med.yale.edu/library/nursing/education/clinquest.html> - Information about formulating the clinical question for EBP.

<http://www.libraries.psu.edu/instruction/ebpt-07/index.htm> - EBP Tutorial for Nurses

Journal Articles on EBP

2010

Anthony, DiLollo, and Christin Favreau. "Person-Centered Care and Speech and Language Therapy." *Semin Speech and Language* 31 (2010): 90-97. Print.

Lof, Gregory. "Science-based Practice and the Speech-language Pathologist." *International Journal of Speech-Language Pathology* (2010): 1-8. Print.

MacDonald, Sheila. "Knowledge Translation in ABI Rehabilitation: A Model for Consolidating and Applying the Evidence for Cognitive-communication Interventions." *Brain Injury* 24 (2010): 486-508. Print.

Quesal, Robert. "Empathy: Perhaps the Most Important E in EBP." *Seminars in Speech and Language* 31 (2010): 217-26. Print.

Russ, Shirley. "Accelerating Evidence Into Practice for the Benefit of Children With Early Hearing Loss." *PEDIATRICS* 126 (2010): 7-18. Print.

Spencer, Patricia Elizabeth., and Marc Marschark. *Evidence-based Practice in Educating Deaf and Hard-of-hearing Students*. Oxford: Oxford UP, 2010. Print.

2009

Odom. "The tie that binds: Evidence-based practice, implementation science, and outcomes for children." *Topics in Early Childhood Special Education*, v. 29 issue 1, 2009, p. 53.

Shaneyfelt. "Reassessment of clinical practice guidelines: Go gently into that good night." *JAMA The Journal of the American Medical Association*, v. 301 issue 8, 2009, p. 868.

2008

Stetler, CB.; McQueen, L.; Demakis, J.; Mittman, BS. "An organizational framework and strategic implementation for system-level change to enhance research-based practice: QUERI Series." *Implement Sci*, v. 3, 2008, p. 30.

Montori. "Progress in evidence-based medicine." *JAMA The Journal of the American Medical Association*, v. 300 issue 15, 2008, p. 1814.

Bruns. "State implementation of evidence-based practice for youths, part II: recommendations for research and policy." *Journal of the American Academy of Child*, v. 47 issue 5, 2008, p. 499.

Rapp. "Evidence-based practice implementation strategies: results of a qualitative study." *Community Mental Health Journal*, v. 44 issue 3, 2008, p. 213.

Bond. "Fidelity of supported employment: lessons learned from the National Evidence-Based Practice Project." *Psychiatric Rehabilitation Journal*, v. 31 issue 4, 2008, p. 300.

Oman. "Evidence-based policy and procedures: an algorithm for success." *JONA The Journal of Nursing Administration*, v. 38 issue 1, 2008, p. 47.

Kitson, AL., et al. "Evaluating the successful implementation of evidence into practice using the PARIHS framework: theoretical and practical challenges." *Implement Sci*, v. 3, 2008, p. 1.

Slavin. "Perspectives on Evidence-Based Research in Education--What Works? Issues in Synthesizing Educational Program Evaluations." *Educational Researcher*, v. 37 issue 1, 2008, p. 5.

Montori. "Progress in evidence-based medicine." *JAMA The Journal of the American Medical Association*, v. 300 issue 15, 2008, p. 1814.

2007

Shortell. "Improving patient care by linking evidence-based medicine and evidence-based management." *JAMA The Journal of the American Medical Association*, v. 298 issue 6, 2007, p. 673.

Chorpita. "Understanding the common elements of evidence-based practice: misconceptions and clinical examples." *Journal of the American Academy of Child*, v. 46 issue 5, 2007, p. 647.
