

Intervention Action Plan Form

Name of Student: _____ Grade: _____ School: _____

Team Members: _____ Date: _____

1. Identify/Clarify the Problem by generating a clear, complete and concise description of the problem the student is having in the classroom.

2. Analyze The Problem Components including:

- Factors that influence or maintain the problem,
- Antecedent and consequence events and the context in which the difficulty occurs,
- Resources that influence solutions of the problem both tangible and intangible.
- Obstacles that influence solutions to the problem both tangible and intangible.

3. Explore Intervention Options – Solutions (Brainstorming): Intervention options can be listed on the back of this form.

4. Select the Intervention(s) & Clarify Implementation Procedures: Describe/script the intervention strategy specifically.	5. Who will be responsible for implementing the intervention?	When, where and how often will the intervention be provided?	How will the data be collected, how often, and by whom? (e.g. checklist, frequency count, % of accuracy, etc.)	7. Evaluate 8. Determine the Next Steps: When? Continue if effective? If not effective, alter the plan?
